Date de mise en ligne : Friday April 6, 2012

Description :

To celebrate the European Union Open House in Washington, DC on Saturday May 12, the Office for Science and Technology of the Embassy of France will have a booth to present its activities.

Mission pour la Science et la Technologie de l'Ambassade de France aux Etats-Unis

To celebrate the **European Union Open House in Washington, DC** on **Saturday May 12**, the Office of Science and Technology of the Embassy of France has a booth **from 10:00am to 4:00pm** to present its activities. There are also scientific animations and experiments for kids (Experiments, Augmented Reality, Water Rockets, etc).

In 2012, the German embassy is celebrating the EU Open House at the French embassy. Both French and German scientific institutions are represented at the booth:

- CNRS - French National Center for Scientific Research: http://www.cnrs.fr/
- INSERM - French National Institute for Health and Medical Research: http://english.inserm.fr/
- CNES - French Space Agency: http://www.cnes.fr
- European Space Agency: http://www.esa.int
- German Aerospace Center: http://www.dlr.de/en/

- Alexander von Humboldt Foundation (German foundation for international cooperation in scientific research): http://americanfriends-of-avh.org/

Other departments of the Embassy of France will also be represented:

- La Maison Française (House of France) is offering the opportunity to try a "Diplomatic lunch": http://www.la-maison-francaise.org/EUOpenHouse.htm
- The Agriculture Department is giving a quiz on cheese and wine and some French cheese is available for tasting: http://www.frenchfoodintheus.org/quiz/
- The Economic Department: http://ambafrance-us.org/spip.php?rubrique256
- The Press Department: http://ambafrance-us.org/spip.php?rubrique19
- The Culture & Education Department: http://www.frenchculture.org/
