

**French-American Doctoral Exchange Program
On “Cyber-Physical Systems”
July 4-8, 2016**

ADVISOR AUTHORIZATION FORM

GENERAL INFORMATION

The **Office for Science and Technology** of the Embassy of France in the United States is organizing a seminar on Cyber-Physical Systems dedicated to French and US Ph.D. students. The objective of the seminar is to enhance scientific exchanges between young researchers, increase mutual awareness of laboratories of excellence in this field and to possibly trigger collaborations between US and French laboratories through PhD students.

The seminar will take place in **Paris, Grenoble and Rennes, in France** in **July 2016**. This seminar will give the Ph.D. students the opportunity to present their work to their peers and discuss their results freely. **English will be the working language**. Ph.D. students will be able to participate in this post-graduate seminar and will be selected according to their level of excellence.

For more information please visit: <http://www.france-science.org/-FADEx-.html>

I confirm that I have been informed by the student listed below of their desire to participate in the US-French Post Graduate Seminar in France and authorize the student, if selected, to attend this seminar from July 4-8, 2016.
