Conference Room 502

Contact information: Denise Al Alam (dalalam@chla.usc.edu)

Coffee and light snacks will be served.

If you are a young scientist in Life Sciences interested in coming to France, do not hesitate to join us to get information about Research Career Opportunities in France. Dr Egly will present the French National Alliance for Life Sciences and Health (Aviesan), the French National Institute of Health and Medical Research (Inserm) along with the Atip-Avenir Program, a unique chance for young researchers to set up and run a team in France.
