The Faculty Club – The Tennis Court Room
Temporary parking permits at Torrey Pines Court will be provided (outside SDCCU bank)

Please RSVP before April 15th to Elise Landais (elandais@iavi.org) or for any question regarding this event.

If you are a young scientist in Life Sciences interested in coming to France, do not hesitate to join us to get information about Research Career Opportunities in France. Dr Egly will present the French National Alliance for Life Sciences and Health (Aviesan), the French National Institute of Health and Medical Research (Inserm) along with the Atip-Avenir Program, a unique chance for young researchers to set up and run a team in France.
