Expert Interface

25th & 26th of May 2018
1st Step: registration

Hey, want to be expert in the ActInSpace Adventure?! Great!

Ready to register as an ActInSpace Expert? Thank so much for your participation. Let's work together to make innovation happen! Through this tool you are going to discuss with teams from all over the world. Our advice, download the ActInSpace app if you are going to use your phone :)

Any questions? Send an email to contact@actinspace.org Below, you will have to choose some tags regarding your expertise. Here are some more details about these tags

**Space Exploration**: Moon, Mars, ISS, Exploration, Space operation, Space Experiment, Science
**Observation & positioning**: Earth Observation, Satellite, Navigation, Drone, Balloon, Imagery Processing, Optical, Geo marketing, Science
**Signals & Systems, Computer Science**: Internet OfThings, Robotic, Big Data, Artificial Intelligence, Software Electronics, Science
**Health & Ecology**: Ecology, Health
**Materials Science**: Materials, Manufacturing, Structures, 3D Printing, Science

Where are you and when are you available?

Please indicate the time according to your time zone.

Then finalize your registration
Once registered, welcome on board!

You can go directly to the website and consult the challenges.

List of pending questions

List of started discussions

Come back to the tool.
Have you changed your mind? Modify your choices here.
Pay attention of the color of the clock. Start by answering the questions in red.

When the envelop disappear that's mean you have read the question but it’s still pending.

All experts who have chosen the same tags or the same challenges see the same questions. Once you choose to answer a question, it disappears from the dashboard of the other experts.
New question on a new tag
By LaTESTteam
#aohNtPp3KTRdAeKru

Answer the question

Aurelic said 5 minutes ago

et encore un test

TimurTEST said 8 hours ago

hola como estas ? :p

jhoana.benavides said 8 hours ago

hola timur

jhoana.benavides said 8 hours ago

the 1rt answers in this tag

TimurTEST said 8 hours ago

just asking a new question in really any tag
Here you will find the list of the conversations you’re having with the teams. Only you have access to these questions.

<table>
<thead>
<tr>

Here you can decide to start a conversation with the team by clicking on ‘answer the question’.

As soon as you click on ‘answer the question’, the question disappear from the dashboard.

You can also come back to the dashboard and pick up another question.
This is the chat window with a team

CONVERSATION ABOUT "COMPUTER SCIENCE"

je sais pas répondre
By Sister
Conversation #57EvjPswR9zubbP9v

write your message

Close
Leave  If you can't answer

If you have to leave the conversation, remember to close it. The team will be notified and may reopen a conversation with another expert.

If in the middle of a discussion the team asks you a question you don't know the answer to, you can leave the conversation and the question will appear on dashboard.
