INTERNATIONAL POLICY AT PSL

- To continue building a network of universities among the world's finest in order to create academic and research opportunities for students and faculty
- To increase PSL's worldwide visibility by promoting its excellence... and to ensure its ranking within the next 2 to 3 years
- To develop an international network of partnerships among companies in key countries

USA: A SHIFT IN THE STUDENT MOBILITY PARADIGM?

Observations after recent visits to top US universities

- Top US universities are developing international strategies with emphasis on outgoing student mobility
- Classic mobility options are (seemingly) becoming or remain a hard sell especially in the STEM areas
- Universities are seeking alternatives to classic mobility to 'get their students abroad' – start a tradition

MOBILITY ALTERNATIVES FOR THE 'INTERNATIONAL GENERATION'

Type of Mobility	Target Audience	Duration
Research internships	Undergraduates, Masters, PhD	2 to 6 months
Bi or multinational team research projects	Undergraduates, Masters	Days to months in different countries
Summer schools & Winter Schools	Undergraduates, Masters	3 to 6 weeks
Joint thematic workshops	Masters, PhD	1 to 3 weeks in each location
Entrepreneurship & innovation competitions	Undergraduates, Masters, PhD	1 week in each location
Joint MA degree programs	Masters	1-2 years

CHALLENGES

- Financing
- Credit granting issues
- Ensuring faculty participation
- Involving companies in certain projects
- Joint degrees: approvals, economic models & language
