Making the connections

Global Village for Future Leaders of Business and Industry

- Villagers learn and live among more than 100 peers from over 45 countries.
- Form business partnerships with a GV Alumni global network of 1,917 leaders from 134 countries.
- Develop team and entrepreneurial skills
- Increase global business knowledge and cultural understanding levels.
- Focuses career path while working with Iacocca staff to map an experience-based plan for success.

Strong Alumni Connections

- Theory into practice and practice into theory

What's in it for me?

Students receive:

- practical work experience for increased marketability upon graduation
- a broadened global perspective
- an extended professional network
- academic, professional, and personal development
- Leadership skills in the global marketplace.
- Opportunities outside of the busy semester schedule
- A world-view through a work/life lens no matter their financial circumstances.
- Self-confidence gained from new experiences
- An affirmation or challenge to career choice.

How does Lehigh benefit?

For Lehigh:

- Increases of visibility and global network with international employers, organizations, and institutions.
- leverages faculty as well as university and global village connections,
- Enhances ability to recruit great students.

Benefits to Organizations who host our undergraduate students

- new perspectives from high-potential, mature, and driven students
- mentoring and supervisory experience for a current employee
- provide and observe professional and personal growth for the student
