Fulbright Program List for US Researchers Going to France
Additional information can also be found at fulbright-france.org and the site for the Fulbright Scholar Program, administered by the Council for the International Exchange of Scholars (CIES).

Si vous êtes un chercheur français, consulter la liste des appels à projet Fulbright 2012-2013 à destination des doctorants et chercheurs français.

Application Deadlines: August 1, 2012

- Core Program - All Disciplines

Number of Awards: Approximately 5

Category: Lecturing/Research or Research

Grant Activity: Conduct research in any discipline of the humanities, social sciences or pure and applied sciences and collaborate with colleagues at French research centers and institutes of higher education. Participants are highly encouraged to participate in conferences and workshops as well as conduct seminars in order to share their research experience with the host institution.

Language: French language ability commensurate with the requirements of the project.

Location(s): Applicants are expected to arrange affiliation and solicit an invitation from a prospective host institution.

Comments: Applications are welcome from recent PhDs as well as from more well established scholars. The Franco-American Commission also encourages applicants from the private sector.

Length of Grant: 3 months to 6 months

Starting Date: Grants may begin any time after September 2013

Deadline: August 1, 2012

More information on the Core Program - All Disciplines:
CIES: http://catalog.cies.org/viewAward.aspx?n=3212

- Core Program - All disciplines - Multidisciplinary Studies

Number of Awards: One

Category: Lecturing/Research or Research

Grant Activity: Conduct research in at least two different fields. The Franco-American Commission welcomes original and creative research projects.
Specialization: Non-university graduates will be considered provided they have and can document the necessary qualifications for carrying out the proposed project.

Language: All teaching will be in English. Fluency in French language may be required depending on the nature of the project.

Location(s): See comments.

Comments: Applications are welcome from recent PhD’s as well as from more established scholars. The Franco-American Commission also encourages applicants from the private sector. Applicants are expected to arrange affiliation and solicit an invitation from at least two different prospective host institutions, from at least two different departments in the same institution, or from a pôle de recherche et d’enseignement supérieur (PRES), which is a multidisciplinary consortium of universities and research institutions. For more detailed information on the Pôles de Recherche et d’Enseignement Supérieur in France, see the following website: http://www.enseignementsup-recherche.gouv.fr/cid20724/les-poles-recherche-enseignement-superieur.html

Length of Grant: 3 months to 6 months

Starting Date: Grants may begin any time after September 2013

Deadline: August 1, 2012
