The City of Paris just launched its “Research in Paris” call for applications. This program aims at providing foreign researchers with fellowships for research in France.

The objective of the program is to build new partnerships and strengthen existing collaborations between foreign universities, research centers and Paris.

ELIGIBILITY

• Only foreign (non-French) researchers are eligible to apply.
• Candidates must hold a Ph.D. and be affiliated with a research center in their country of residence.
• All disciplines are eligible.

BENEFITS

Fellows will receive:

• A monthly stipend
• A round-trip ticket to France
• Health insurance for the entire duration of the fellowship

Application deadline: March 1st, 2012, at midnight local time.

For more information and the application form, please visit the website of the Mairie de Paris.
