France-Atlanta 2013 - Workshop on "Technology as a driver of Economic Development"

Published on Monday October 21, 2013
View online: https://www.france-science.org/France-Atlanta-2013-Workshop-on,2434.html

- **When**: Thursday October 24, 9:00AM – 12:30PM.
- **Where**: Georgia Tech Global Learning Center - 84 5th St. NW - Atlanta, GA 30308-1031 (Map)

The workshop will bring together people working on different parts of the continuum between technology innovation and economic development to share best practices and lessons learned, as well as understand barriers and opportunities in a global context. The workshop is an opportunity to have various French and American experts in the field share their knowledge emphasizing the importance of intercontinental partnerships.

**Coordinators:**

Yves Berthelot, Bernard Kippelen, Abdallah Ouggazaden – Georgia Institute of Technology
