Are you an early-stage company looking for opportunities to expand to Europe? The YEi program is for you! Come to our upcoming events in Boston to learn more about the Young Entrepreneurs Initiative. This program offers the unique and exciting opportunity for American early-stage entrepreneurs to explore the vibrant entrepreneurial and technological ecosystem in France. Laureates will receive an all-expenses-paid immersion week in France to explore business opportunities while receiving extensive mentoring and guidance suited to their companies’ needs. Visit www.yeifrance.com for more information and to apply.
