Call for Partner University Fund (PUF) Grants: 2014-2015

Established in 2007 as a collaboration between the French government, American private donors, and the FACE Foundation, the Partner University Fund (PUF) supports research partnerships in all disciplines between two or more American and French institutions.

Partnerships must focus on advancing both research and education areas such as:
- Faculty, postdoctoral, student mobility and exchanges
- Joint research initiatives
- Joint classes and curricula
- Creation of joint and dual Master and PhD degrees

Since its creation, PUF has supported 71 partnerships involving more than 80 French and American institutions.

PUF funds up to 60% of the cost of a project in the Humanities, a maximum of $100,000 annually per project. In all other fields, PUF funds up to 30% of the project cost, a maximum of $50,000 annually per project. The exact grant amount awarded each year depends on the outcomes of a yearly progress review.

The application deadline is February 15, 2015 and grantees are announced in June 2015 for the 2015-2016 academic year.
