About NETVA

The NEw Technology Venture Accelerator (NETVA) aims at building the global leadership of the French High-Tech Start-ups through an intensive entrepreneurial training and business development week in Massachusetts (Boston), Silicon Valley (San Francisco), or Greater Washington (Washington, DC).

NETVA is supported by a group of trustful partners highly integrated in the French and American Entrepreneurial ecosystems: the Institute for Technology Entrepreneurship and Commercialization at Boston University (ITEC), RETIS Innovation (The French network for Innovation and Entrepreneurship, RETIS->www.retis-innovation.fr), the Massachussets Office for International Trade and Investment (MOITI), the French American Chamber of Commerce in Boston (FACCNE).
