### **The Sixth Workshop of the INRIA-Illinois Joint Laboratory on Petascale Computing**

November 21-23, 2011 - Urbana, IL, USA.

The workshop will take place at the NCSA Building in Urbana, IL.

The sixth workshop of the INRIA-Illinois Joint Laboratory on Petascale Computing will gather top researchers in HPC from INRIA and the University of Illinois to explore research problems related to supercomputing: Petascale Applications, Parallel Programming (Hybrid, Hierarchical, Heterogeneous), Resilience, Numerical Algorithms and Libraries and I/O.
