The Office for Science and Technology is pleased to announce the recipients of the 2014-2015 Chateaubriand Fellowships.

Among the 38 fellows listed below, 3 will be partly supported by the French National Institute of Health and Medical Research (Inserm), 2 by the French National Institute for Research in Computer Science and Control (Inria).

More information on the Fellowship as well as the Fellows from previous years can be found at: [The Chateaubriand Fellowship - Science Program](#).

Last Name	First Name	US University	French Host Institution	Field of Study
Alberty	Marion	University of California San Diego/Scripps Institution of Oceanography	Institut de Recherche pour le Developpement	Physics
Bittner	Rachel	New York University	Telecom ParisTech	Computer Science - Information Technology
Brooks	Teon	New York University	Telecom ParisTech	Biology, Health
Cao	Shiyun	University of Florida	Institut de Biologie Structurale, CNRS	Biology, Health
Carichino	Lucia	Indiana University - Purdue University at Indianapolis (IUPUI)	Université de Strasbourg	Mathematics
Chou	Sherry	University of Hawaii at Manoa	Université de Grenoble	Geosciences, Space
Corlies	Lauren	Columbia University	Université d'Aix-Marseille	Physics
Coyle	Whitney	The Pennsylvania State University	CNRS Marseille	Physics
Dudley	Clifton	Stanford University	INRIA/Bordeaux University	Mathematics
Flores	Chad	University of California, Davis	École Polytechnique	Physics
Gonzalez	Laura	University of Colorado at Boulder	Université de Lyon - Institut des Sciences Analytiques	Chemistry
Harkness	Jennifer	Duke University	Bureau de Recherches Géologiques et Minières	Environmental research
Herman	Aaron	North Carolina State University	Inria Paris-Rocquencourt	Mathematics
Ison	Joshua	Texas Tech University	French Agency for Food, Environmental, and Occupational Health & Safety	Biology, Health

Last Name	First Name	US University	French Host Institution	Field of Study
Karp	Steven	University of California, Berkeley	Université Paris 7 - Denis Diderot	Mathematics
Keilman	Jacob	Georgia Institute of Technology	Georgia Tech-Lorraine	Physics
King	Benjamin	University of Vermont	Institut Pasteur	Biology, Health
Kramer	Eric	The Scripps Research Institute	The Pasteur Institute	Biology, Health
Lang	Jillian	Colorado State University	Institut de Recherche pour le Développement	Agronomy
Lark	Arianna	University of Iowa	Centre National de la Recherche Scientifique	Biology, Health
Lu	Yingzhen	University of Texas at Dallas	CNRS Laboratory of Analysis and Architecture of Systems	Chemistry
Mandelstam	Olya	UC Berkeley	Université Paris Diderot 7	Mathematics
Martin	Melissa	Florida State University	Institut du Fer à Moulin	Biology, Health
Meng	Shixu	University of Delaware	Ecole Polytechnique	Mathematics
Messier	Julie	University of Arizona	CNRS- CEFE	Environmental research
Neill	Lindsey	Washington State University	Commissariat à l'Energie Atomique (CEA)	Chemistry
Oldfield	Claire	UC Berkeley	Institut du Cerveau et de la Moelle Epiniere	Biology, Health
Perez-Martinez	Carla	Massachusetts Institute of Technology	Centre National de la Recherche Scientifique	Physics
Reid	Austin	North Carolina State University	Ecole Normale Supérieure	Physics
Rickert	Karl	Northwestern University	Laboratoire de Cristallographie et Sciences des Matériaux	Chemistry
Sharifnia	Panid	University of California, San Diego	Aix Marseille University/Centre d'Immunologie de Marseille-Luminy	Biology, Health
Smith	Alan	University of Colorado Boulder	Centre National d'Etudes Spaciales	Geosciences, Space
Spleen	Angela	The Pennsylvania State University	ANSES - French Agency for Food, Environmental and Occupational Health & Safety	Biology, Health
Torpey	Megan	University of Florida	L'Institut de Recherche de Astrophysique et Planétologie	Geosciences, Space
Webb	Hattie	Texas Tech University	French Agency for Food, Environmental, and Occupational Health & Safety (ANSES)	Biology, Health
Wilson	Samuel	University of California, San Diego	Laboratoire d'Océanographie de Villefranche	Geosciences, Space
Wu	Di	The Penn State University	INRA-Forest Genetics group	Biology, Health

Last Name	First Name	US University	French Host Institution	Field of Study
Yunck	Rachel	Harvard University	Institut de Biologie Structurale (IBS)	Biology, Health
