

## Café des Sciences #87 : « Un sens pour toute la vie, avec les nouvelles thérapies. »

Published on Tuesday April 17, 2018

View online : <https://www.france-science.org/Nouvelle-traduction-Cafe-des.html>

### Café des Sciences #86 : «Du monde académique à l'industrie»

- **When** : Wednesday, January 24, from 6pm to 8pm
- **Where** : McDermott Will & Emery, 28 State Street, Boston, MA 02109
- **Registration**

### The speaker

**Marie-Pierre Padelou**, development director and co-founder of **CILcare**. Marie-Pierre holds a degree in Doctor of Pharmacy from the University of Paris V. She also holds a degree in Pharmacokinetics and Gerontechnology. She has more than 20 years of experience in the Pharmaceutical Industry, mainly as a Developer. She began her career as Head of an International Regulatory Operations Department at Sanofi, in charge of the preparation of submission files and the review of preclinical dossiers. She held the position of Product Development Director for Thrombosis before joining a strategic unit dedicated to Aging.

### About CILcare

CILcare SAS est une société de services en R&D spécialisée dans le domaine de l'audition. Sur un marché international, elle propose à ses clients d'accélérer le développement de leurs candidats médicaments en testant leur efficacité sur des modèles de pharmacologie précliniques et en les accompagnant dans la construction et la rédaction de leur plan de développement pharmaceutique. CILcare participe en ce sens au développement de nouvelles thérapies pour le traitement des acouphènes et des pertes d'audition aujourd'hui inexistantes.

### Program

- 6:00pm : Welcome
- 6:15pm : Presentation
- 7:00pm : Q&A
- 7:15pm : Networking
- 8:00pm : End

## Partners of Café des Sciences

The Office of Science and Technology of the French Consulate in Boston, in partnership with the French-American Chamber of Commerce of New England (FACCNE), the Foreign Trade Advisors of France (CNCCEF), the French Tech Hub, the Swiss Consulate in Boston (Swissnex), the Québec Government Office in Boston, and Wallonie-Bruxelles International (WBI), organize once a month a science café for francophone scientists and entrepreneurs in the Boston riding.
